OBJECTIVE

With a degree in Programming, Computer Science, a recent graduate of Pinecone Academy "Leap" program in full-stack web development and two months of hands-on a real project internship experience as a full-stack web developer, I am passionate about building and optimizing web applications. My internship provided me with practical experience in using HTML, CSS, TailwindCss, JavaScript, React.js, Next.js, Express.js, Node.js, SQL, GraphQL, Cypress, Git and Github.
